EARSeL
Chairperson Lena Halounová
Head of Remote Sensing Laboratory (RSL)
Department of Mapping and Cartography
Faculty of Civil Engineering
Czech Technical University
Thakurova 7, 166 29, Prague 6
Czech Republic

Dear Dr Halounová,

SPIE Europe is pleased to invite the European Association of Remote Sensing Laboratories (EARSeL) to serve as a cooperating organization for SPIE Europe's Remote Sensing symposium which will be held on 21 – 24 September 2015 at the Pierre Baudis Congress Centre in Toulouse, France. To take a look at the 2014 technical content, please visit: <http://spie.org/x110578.xml>. The 2015 programme information will appear at this link: <http://spie.org/remote-sensing-europe.xml>.

In accepting this invitation, the benefits of serving as a cooperating organization that are afforded to your organization include that SPIE Europe will:

- List your organization's name/logo on all promotional materials and web pages publicizing the event
- Provide you with an area to display literature about your organization at the meeting.

In return, to help your members/staff to become aware of this meeting, EARSeL agrees to:

- List this meeting on your print and on-line conference calendar(s), and link to it from your web-based calendar
- Distribute up to two emails to your members/constituents announcing the meeting.

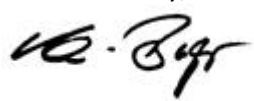

Thank you for your considerations; we look forward to working with your organization on this important meeting.
